Harvest Date

Multi-Vintage

Barrel Age

'Modified Solera' blending

Cooperage

Saury ~ American Oak

Bottling Date

March 2, 2009

Alcohol

18.5%

Our "Modified Solera" style blending program for our Late Harvest Zinfandel is well underway with vintages from 2002 through 2008 melding into complex and decadent layers of our 2009 bottling. Our wine-making team spends many hours tuning the final blend of our Late Harvest resulting in a true sweet wine to be savored.

Notes of rich toffee, caramel, and coconut open the nose and melt into aromas of mulled plums, figs with hints of blueberry adding layers of depth. Clean and precise on entry, this lush wine coats the palate with thick, ripe plums, stewed fruits and exotic spices while maintaining flawless structure and balance. Enjoy now, through 2015 and beyond.
