THE VINEYARD Our Aida Estate Vineyard has confirmed our initial belief that this site would be the ideal location for growing Bordeaux varietals. Just north of the pinch in the hourglass of the Napa Valley, the Cabernet Sauvignon grapes from our Aida Estate provide the bold, structured backbone for this immensely enjoyable wine.

THE VINTAGE The 2022 growing season began in early March following a few wet winter months, which set the stage for an excellent bud-break. Timing was in-line with the five-year average, and warmer temperatures during the last week of February helped to push smooth development across the valley. April was a bit cooler than average, and some vineyards had to be protected from potential frost damage, but things warmed up in May providing adequate conditions for bloom and fruit set. The summer months of the growing season were remarkably consistent with warm days and cool nights—a perfect diurnal weather pattern for flavor development and bright acidity. During Labor Day weekend, an unprecedented period of triple digit highs shocked the valley—nine days straight of triple digits. Several vineyards were harvested during or soon after the heat wave while others held strong into the first two weeks of October, when the last of the fruit made its way to the winery. Much of the late ripening fruit came from the Rutherford and Oakville areas.

THE WINE The 2022 Aida Estate Cabernet Sauvignon is a beautiful powerhouse of a wine; bold and showy, bursting with youthful energy and boisterous charm. Intense aromas of currant and crushed pebbles dominate the nose, with hints of mocha and chocolate-covered espresso beans adding richness and depth. The palate is full and concentrated, with a powerful structure that showcases layers of black fruit, cassis and subtle mineral undertones. Vibrant acidity and firm tannins balance the intensity throughout a long, energetic finish.
